South Africa.

DRDGOLD PRESS RELEASE

For immediate release

494/05-jmd

**Wage negotiations**

**DRDGOLD unaffected by current dispute**

**Johannesburg, South Africa. 3 August 2005.** DRDGOLD Limited (JSE: DRD; NASDAQ: DROOY; ASX: DRD; POM SoX: DRD) has received a number of inquiries with regards to the current dispute in the wage negotiation process between the Chamber of Mines (CoM) and various unions and the effect this may have on the company.

DRDGOLD would like to make it clear that it is not part of the Chamber of Mines negotiation process and thus not affected by any potential industrial action that may arise later in the week as speculated in the media.

DRDGOLD is currently in wage negotiation talks with NUM with respect to its Blyvooruitzicht Gold Mine. Parties have had 2 meetings, which took place in good faith and a further meeting is scheduled for next week.

DRDGOLD is an intermediate unhedged gold producer with mines in South Africa as well as Australasia. The company's production profile is split equally between its highly leveraged SA operations and its low cost, cash generative offshore mines.

DRDGOLD has primary listings on the Johannesburg (JSE:DRD) and Australian (ASX:DRD) stock exchanges and secondary listings on NASDAQ (DROOY), the London and Port Moresby stock exchanges and the Paris and Brussels Bourses. Its shares are also traded on the regulated unofficial market of the Frankfurt Stock Exchange and the Berlin OTC Market.

#### FORWARD-LOOKING STATEMENTS

*Some of the information in this press release may contain projections or other forward looking statements regarding future events or other financial performance, including forward-looking statements and information relating to us that are based on the beliefs of our management, as well as assumptions made by and information currently available to our management. When used in this release, the words "estimate", "project", "believe", "anticipate", "intend", "expect" and similar expressions are intended to identify forward-looking statements. Such statements reflect our current views with respect to future events and are subject to risks, uncertainties and assumptions.*

*Many factors could cause our actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, adverse changes or uncertainties in general economic conditions in the markets we serve, a drop in the gold price, a continuing strengthening of the Rand against the Dollar, regulatory developments adverse to us or difficulties in maintaining necessary licenses or other governmental approvals, changes in our competitive position, changes in business strategy, any major disruption in production at our key facilities or adverse changes in foreign exchange rates and various other factors.*

*These risks include, without limitation, those described in the section entitled "Risk Factors" included in our annual report for the fiscal year ended 30 June 2004, which we filed with the United States Securities and Exchange Commission on 29 November 2004 on Form 20-F, as amended by the Form 20-F/A filed on 29 April 2005 and those detailed from time to time with the United States Securities and Exchange Commission. You should not place undue reliance on these forward-looking statements, which speak only as of the date thereof. We do not undertake any obligation to publicly update or revise these forward-looking statements to reflect events or circumstances after the date of this report or to the occurrence of unanticipated events.*
